USI is a vibrant campus with modern facilities and an exciting pace of growth. Since the first campus building (Wright Administration Building) opened in 1969, the face of the campus has continued to change, providing the most up-to-date facilities for academics, housing, and student life. Facility development at USI keeps students and faculty equipped with the resources they need, including the best in advanced teaching and learning technology for classrooms and laboratories.

**Computer Services**

Computer labs are located throughout campus and in the housing areas. Wireless service is available in all main buildings and the surrounding courtyards.

All residence life areas are equipped with network jacks for Internet access. The wireless network also is available throughout the housing areas.

**Eagle Access Card**

Students use the Eagle Access Card as an identification card and as an all-in-one card for student services such as library privileges, meal plans, vending and copy machines, and access to the Recreation and Fitness Center.

**MyUSI**

MyUSI is a portal to Web services. Students check e-mail, register online, view their grades, and access other services through this secure Web site.

Jon Mark Hall, Director of Athletics

Jon Mark Hall was appointed to the position of director of Athletics in January 2002. He moved into the position after spending seven years as the assistant director of athletics. He is USI’s second director of athletics.

Under his direction, USI was the 2003-04 GLVC All-Sports and Commissioner’s Cup winner and is the host of the 2004 NCAA Division II Cross Country national championships.

In addition to his duties as director of athletics, Hall also is the chair of the NCAA Division II men’s and women’s tennis committee. He has served on the Great Lakes Valley Conference Executive Committee and the NCAA II Great Lakes Regional women’s basketball committee.

Hall joined the USI Athletic Department in 1995 as an assistant athletic director and men’s tennis coach.

As the men’s tennis coach, no one did it better in the GLVC than Hall. He was named the GLVC Coach of the Year five times, directed the Screaming Eagles to four GLVC regular season titles and GLVC Tournament crowns and set a 123-47 record (.724).

During his final season as head coach, Hall led the Eagles to their third straight appearance in the NCAA II Tournament and their first victory in the post-season. In 2000 and 2001, Hall put the Eagles on the national map with their first two invitations to the NCAA II Tournament in the 27-year history of the program.

Hall came to USI after a tenure at the University of South Carolina-Spartanburg as an assistant athletic director, where he was the NCAA compliance coordinator, oversaw the academic support service program for student athletes, and coordinated the Athletes Can Educate (ACE) program. He also assisted in fundraising and promotion activities.

The native of Murray, Kentucky, is a 1990 cum laude graduate of Murray State University, with a bachelor’s degree in business administration. While at MSU, Hall was on the tennis team for two seasons, earning Academic All-Ohio Valley Conference honors in 1987. Hall received his master’s degree in sports administration from Ohio State University in 1992.

In 1998-99, he completed the Sports Management Institute Executive Program at the University of South Carolina and the University of Notre Dame.

Hall and his wife Patti reside in Evansville and have two sons, Nathan and Garland, and daughter Mary Claire.

2006 Volleyball Media Guide

3
Founded in 1965, the University of Southern Indiana is located in Evansville, the state’s third-largest city. From its picturesque site on the Ohio River, Evansville is a comfortable drive from the major metropolitan areas of Indianapolis, Cincinnati, Louisville, Nashville, and St. Louis.

The University enrolls 10,000 students and offers undergraduate majors in 70 areas of study. Ten graduate degree programs also are available.

Beyond the classroom, students have opportunities to participate in more than 90 organizations offering co-curricular and extra-curricular activities. Special interest clubs, student government, sororities and fraternities, music and drama groups, and other organizations enable the students to enjoy and contribute to campus life.

USI offers two kinds of housing. One is the conventional apartment and the other is suite-style housing in a residence hall. Computer labs, laundromats, a convenience store, outdoor recreational areas, and student lounges contribute to an efficient living environment that has proven overwhelmingly popular with students. A meal plan is available in the University Center. More than 3,000 students live on campus.

USI is an affordable higher-education institution and some families find that they can handle the cost of a USI education without financial aid. Many others qualify for need-based financial aid packages, including grants, loans, and jobs.

EVANSVILLE, Indiana
...A CITY with urban attractions and hometown friendliness

Situated on the banks of the Ohio River, Evansville is a mid-sized city that welcomes USI students and offers them plenty of things to do. Roberts Stadium and the Victory Theatre attract students to concerts by entertainers like Nelly, Aerosmith, Kenny Chesney, Kid Rock, and Josh Groban. Traveling Broadway shows and feature performances come to The Centre. For a relaxing walk or invigorating run, the downtown riverfront features a greenway with a wonderful view of the changing river traffic and the Evansville skyline. Movie theatres (including an IMAX) and Swonder Ice Arena draw students together for fun, activity, and fellowship. Evansville’s coffee shops, restaurants, and shopping areas also are places where students like to spend time. Less than three miles from campus, shopping centers and places to eat are plentiful on both sides of the Lloyd Expressway. The Eastland Mall area on Green River Road and the commercial centers off Burkhardt Road offer more restaurants and terrific shopping. USI’s suburban location in the rolling hills of western Vanderburgh County is just minutes away from all that Evansville has to offer.

The University of Southern Indiana volleyball team enters the 2006 season looking to regain its positioning at the top of the GLVC.

USI and second-year Head Coach Leah Mercer ’02 have plenty of reason to expect to regain that swagger as the Screaming Eagles return five starters and the libero from a squad that was 19-13, 11-5 in the GLVC, in 2005.

Mercer is looking for big production out of the senior class—outside hitters Emily Ryan, Chelse Doubler, and Megan Wollin as well as libero Mandy Probst.

Ryan earned first-team All-GLVC honors and second-team AVCA All-Region honors after averaging 3.65 kills per game (kpg) in 2005. She ranked third in the GLVC in conference-only matches with 3.98 kpg.

Doubler also was named to the All-GLVC team as she earned honorable mention honors after averaging 3.17 kpg and 0.59 blocks per game (bpg).

Probst, a 2004 second-team All-GLVC selection, continued to her strong defensive play in 2005 when she finished with 464 digs, just 11 shy of her single-season school record. She was seventh in the GLVC with 3.97 digs per game (dpg) and fourth in the league in conference-only matches with 4.57 dpg. Probst needs 164 digs to become USI’s all-time leader in career digs.

Wollin saw limited action as a junior and is expected to add depth at the outside hitter position in 2006.

Two-time All-GLVC setter Stephanie Wilson leads a strong junior class. Wilson averaged 12.03 assists and 2.77 digs per game to go along with 0.58 bpg in 2005. She was third in the league in assists a year ago and ranks second all-time at USI in career assists (2,878).

Junior middle blocker Molly Rahman will be one of Wilson’s go-to players on the inside in after averaging 1.80 kills per game as a sophomore in 2005. Rahman’s presence defensively was huge for the Eagles last season as she was ninth in the GLVC and second on the team with 1.00 bpg.

After seeing an expanded role as a sophomore, junior defensive specialist Cara Keever is expected to give the Eagles more output this season. Keever averaged 1.96 dpg in 2005, despite a thumb injury that cost her part of the season.

Mercer’s sophomore class consists of middle blocker Meg Buschman and defensive specialist Amber Gogel. Buschman averaged 2.29 digs and 0.56 blocks per game during her rookie season, while Gogel was second on the team with 2.99 dpg as a freshman. Both will play big roles for USI this year.

New to the squad are freshmen outside hitter/defensive specialists Jaclyn Johnson and Julia Ridley; freshman outside hitter Courtney Bealor; freshman middle blocker/right side hitter Ashley Henricks; and freshman setter/right side hitter Kathi Hindman.
USI's conference road matches include visits to the University of Indianapolis, St. Joseph's College, SIU Edwardsville, Bellarmine University, Northern Kentucky University, Kentucky Wesleyan, Drury, and Rockhurst.

The Eagles’ non-conference schedule includes road matches against Ashland, the University of North Alabama, and the University of Alabama-Huntsville. They also play neutral-site matches against Edinboro University, the University of West Florida, Northwood University, the University of South Dakota, North Alabama, Wheeling Jesuit University, Palm Beach Atlantic University, and the University of West Georgia.

Ridley was an All-State performer as well as a Kentucky State All-Tournament performer at North Hopkins High School, while Johnson helped Castle High School to four sectional titles as well as the Southern Indiana Athletic Conference titles in 2003 and 2004. Johnson was a two-time All-SIAC and All-Metro performer.

Bealor earned honorable mention All-State honors as a junior and was a two-time All-Conference and All-Area performer at LaPorte High School. She helped LHS to sectional championships in 2002 and 2005 and her Dunes 17 Open club team to a third-place finish in the National Division at the 2005 Junior Olympic Championships.

Henricks, a graduate of Center Grove High School, also had an impact on her club team as she helped her Circle City squad to the American Division title at the 2005 Junior Olympic Championships.

Hindman was named All-Metro North honorable mention by the Indianapolis Star as well as All-County by the Noblesville Ledger and was Westfield High School’s top offensive player as a junior.

USI opens the season in Florida and the site of the 2006 NCAA II Elite Eight as it competes in the University of West Florida Invitational.
Head Coach Leah Mercer ’02 enters her second season at the helm of the USI volleyball program after leading the Screaming Eagles to a 19-13 overall record, 11-5 in the GLVC, during her first season in 2005.

A native of Evansville and a 2002 graduate of USI, Mercer served Loyola University (Chicago) as the top assistant coach in 2004. She helped guide the Ramblers to a 22-9 overall record and a 10-4 mark in the Horizon League. Loyola won the Horizon League Tournament championship and qualified for the NCAA Division I Tournament before falling to the University of Wisconsin in the first round last season.

Prior to her one-year stint at Loyola, Mercer spent a year as a graduate assistant coach at Ohio University in Athens, Ohio. She helped lead the Bobcats to a 28-5 overall record, the Mid-American Conference regular-season and tournament titles, and the program’s first-ever berth in the NCAA I Tournament.

Mercer, who started her coaching career as a volunteer assistant at Purdue University in 2002, was a two-time All-GLVC performer and helped lead the Eagles to a three-year record of 61-27, including a 49-14 mark as a junior and senior. She averaged 3.1 kills per game during her three seasons of collegiate volleyball. Mercer also averaged 5.9 points and 3.6 rebounds in two seasons with USI’s women’s basketball program.

Mercer, who has a bachelor’s degree in physical education (teaching K-12) and a master’s degree in recreation and sports science (coaching education), is the Screaming Eagles’ 11th head coach in the history of the program.

Leah Mercer ’02 led the Screaming Eagles to a 19-13 overall record, 11-5 in the GLVC, during her first season at the helm of the USI volleyball program. Mercer returns five starters and the libero in 2006 as she looks to put USI back at the top of the GLVC.
Assistant Coach Kyle Walton is in his first season with the University of Southern Indiana volleyball coaching staff. Walton assists Head Coach Leah Mercer in all aspects of the USI volleyball program.

Walton was formerly the Director of Volleyball Operations at Synergy Sports and Fitness in Toledo, Ohio, after graduating with a bachelor’s degree in sports management from Otterbein College (Westerville, Ohio) in June 2005. A native of Edon, Ohio, Walton also coached two teams for the Toledo Volleyball Club this past spring—a 15-16 Early Bird squad and a 16-2 Elite Team.

While attending Otterbein, Walton played basketball and baseball, while serving as a student assistant coach for the volleyball team. Walton helped lead Otterbein’s men’s basketball team to the NCAA III championship as a sophomore in 2001-02.

As an assistant coach on the volleyball team, he assisted with daily practices as well as the off-season workout program. Walton has been around the game of volleyball his entire life as his father was the head coach at Edon High School for 20 years.

During his prep career, Walton assisted his father with the volleyball program and was a three-sport star, earning All-Conference honors in golf, baseball, and basketball.

Walton will be working toward a master’s degree in public administration during his stay at USI.
