E. UPDATE ON CURRENT CONSTRUCTION PROJECTS

A report will be presented on current construction projects. Exhibit II-B includes a summary of the cost and funding sources for each project.

F. APPROVAL OF MODIFICATIONS TO 403(b) RETIREMENT PROGRAM

The University of Southern Indiana currently offers a tax-deferred 403(b) retirement program which includes 403(b) employee contributions by eligible faculty, administrative, and support staff and 402(g) employer contributions to eligible faculty and administrative staff. Due to the passage of the Pension Protection Act of 2006 (PPA 2006), which takes effect no later than January 1, 2009, some changes to the 403(b) retirement program are required or recommended. Further enhancements also are desirable based on new options made available by TIAA-CREF under the TIAA-CREF Open Plan Solutions retirement program administration system. Therefore, the following changes are recommended to the 403(b) retirement program effective no later than January 1, 2009.

1) Increase the investment options on the TIAA-CREF platform from 10 to 18 (one of which consists of 10 Life Cycle Funds). The additional mutual funds will expand the universe of asset classes to include: Large Cap Value, Mid Cap Value, Mid Cap Growth, Mid Cap Value, Small Cap Growth, Small Cap Value, and CORE Bond. These funds will be provided by TIAA-CREF at no additional cost to the University and with no fees to employees.

2) Permit default enrollment for the mandatory 402(g) retirement program into the Life Cycle fund for faculty and administrative staff at the time of eligibility in the event an enrollment form is not completed.
3) Offer Objective Investment Advice Service to employees through a third party with no additional cost to the University and with no fees to employees. Ibbotson & Associates currently provides this service for TIAA-CREF clients.

4) For employee only contributions under the 403(b) supplemental program, discontinue offering non-TIAA-CREF investment options. New regulations and administrative requirements under the Pension Protection Act of 2006 limit the University's ability to offer multiple options to small numbers of participants.

5) Allow Non-Spousal Benefit Rights in regard to rollover capabilities (but not in regard to hardship withdrawals) for both the 402(g) and 403(b). These are new options under PPA 2006.

6) Discontinue loan provisions for former employees due to increased loan administration requirements under PPA 2006.

The recommended changes to the retirement programs will expand investment options, enhance advice services for participants, and streamline the administration of the retirement programs through the TIAA-CREF Open Plan Solutions retirement program administration system. By offering Life Cycle Funds as the default investment option and Objective Advice to assist employees with investment options, the University will obtain fiduciary relief under PPA 2006.

To effect the proposed changes, the University of Southern Indiana must modify its existing retirement program documents before the required effective date of January 1, 2009, and enter into the appropriate Group Retirement Agreements and a Custodial and Recordkeeping Agreement with TIAA-CREF.

Approval of the following modifications to the 403(b) retirement program is recommended:

1) increase investment options on the TIAA-CREF platform to 18;
2) permit default enrollment into Life Cycle funds;
3) offer Objective Investment Advice Service;
4) discontinue offering non-TIAA-CREF investment options;
5) allow Non-Spousal Benefit Rights in regards to rollover capabilities;
6) discontinue loan provisions for former employees; and
7) modify existing retirement program documents and enter into TIAA-CREF agreements consistent with these changes and the requirements of the Pension Protection Act of 2006 effective no later than January 1, 2009.
SECTION III – PERSONNEL MATTERS

A. APPROVAL OF ANNUAL AUTHORIZATION FOR EMPLOYMENT OF FACULTY AND STAFF

The University of Southern Indiana Board of Trustees, pursuant to Indiana Code 20-12-1-4, annually authorizes the President of the University of Southern Indiana to employ faculty and staff and to establish salaries and wages within budgetary capabilities. It is recommended that the Trustees authorize the president of the University to employ qualified faculty and staff, to grant leaves of absence, and to establish salaries, wages, and benefits for employees within the capabilities of the budget. Further, it is recommended that the Trustees, who establish the employment contract for the President of the University, including salary and benefits, authorize the Chair of the Board of Trustees to convey to the President his employment contract, including salary and benefits.

RESOLUTIONS OF THE
UNIVERSITY OF SOUTHERN INDIANA BOARD OF TRUSTEES

RESOLUTIONS REGARDING REFINANCING OF UNIVERSITY OF SOUTHERN INDIANA AUXILIARY SYSTEM VARIABLE RATE DEMAND REVENUE BONDS, SERIES 2001B, AND DELEGATION OF CERTAIN POWERS IN REGARD THERETO TO THE FINANCE/AUDIT COMMITTEE

Whereas, the University has previously issued the 2001B Bonds, which were insured by Ambac Assurance Corporation and further secured by a liquidity facility from J.P. Morgan Chase Bank, NA; and

Whereas, the credit rating of Ambac has been downgraded by one credit rating agency, and may also be downgraded by other credit ratings agencies in the near term, such that the 2001B Bonds have been adversely affected, both in terms of weekly interest rate resets, and in terms of long-term stability of interest rate forecasts for the 2001B Bonds; and

Whereas, the Treasurer of the University has diligently analyzed various possible responses to this development, and has recommended to this Board that a current refunding of the 2001B Bonds be pursued; and

Whereas, the Board wishes to pursue a current refunding based upon the recommendation of the Treasurer; and

Whereas, this Board desires to delegate its power and authority to the Finance/Audit Committee to hear and act upon the recommendations of the Treasurer with respect to the potential refunding of the 2001B Bonds, and desires to authorize the Treasurer to take any and all actions required to reasonably and prudently implement the refunding.

NOW, THEREFORE, BE IT RESOLVED by this Board as follows:

1. The Treasurer is hereby authorized to develop a Plan of Finance and refunding documents for the 2001B Bonds and present the Plan of Finance and documents to the Finance/Audit Committee for its consideration and potential approval.

2. The Board recognizes that the Plan of Finance will include requirements for contribution of auxiliary system reserves for costs of issuance, credit enhancement, and reserves for the 2008 Bond, to the extent they are required by the market in order to effect the refunding.

3. The Treasurer is further authorized to solicit all necessary approvals from the State of Indiana and its administrative entities for the issuance of the 2008 Bond.

4. The Board reserves the right to evaluate and continue the existing 2001B debt structure if market conditions improve.

5. The Board reserves the right to receive and act upon the Plan of Finance itself in addition to delegating to the Finance/Audit Committee the authority to do so.
