MINUTES

UNIVERSITY OF SOUTHERN INDIANA  
BOARD OF TRUSTEES

March 5, 1987

The University of Southern Indiana Board of Trustees met Thursday, March 5, 1987, in the USI University Center. Present were Trustees William Brooks, Jr., Percy Clark, Jr., Robert J. Fair, Joseph E. O'Daniel, John J. Pruis, Carole D. Rust, and Eric Williams; and Honorary Trustee Al Woll. Also attending were President David Rice, Vice Presidents Donald Bennett, Robert Reid, and Sherrienne Standley; and Faculty Council Chairman Charles Price.

There being a quorum present, Mr. Fair called the meeting to order at 1:08 p.m.

SECTION I - GENERAL AND ACADEMIC MATTERS

A. APPROVAL OF MINUTES OF JANUARY 8, 1987, MEETING

The minutes of the January 8, 1987, meeting were approved as amended.

B. ESTABLISHMENT OF NEXT MEETING DATE, TIME, LOCATION

The next regular meeting of the Board of Trustees will be set for Friday, May 8, 1987, at 3:00 p.m., at the University of Southern Indiana.

C. PRESIDENT'S REPORT

Dr. Rice noted several significant special events. He called the Board's attention to the 1937 Flood books at each of their places, and reported that the University is pleased to be invited to display the Magna Carta April 23 and 24. Dr. Rice also called attention to the "Celebrating the Humanities" brochure, and noted the efforts of the support group working with the Humanities Division in encouraging financial support of Humanities activities. Four significant events from this series will be in New Harmony.

Dr. Rice noted that Professor Charles Price received a grant from the State Department of Public Instruction for his proposal for a Prime Time Science Training Institute. He commended Professor Price for that achievement.

Dr. Rice informed the Board of the success of the men's and women's basketball season.

Dr. Rice reported to the Board that in February, USI expressed its appreciation to the Commission for Higher Education for considerations leading to the M.B.A. program. He told the Commission the Trustees welcomed the opportunity for a cooperative program and that the officers of USI and UE had worked diligently to prepare the plan which represented a good beginning. He said the two universities would work out any problems and refine the program as it evolved.

Dr. Rice informed the Board that Indiana Vocational-Technical College has agreed on an articulation concept for cooperative programs with the University of Southern Indiana. He asked Dr. Reid to relate some of the concepts of the articulation agreement. Dr. Reid reported that an agreement has been created that commits both institutions to share facilities and equipment, and to work to improve and foster positive relationships in developmental programs, student information, admissions, financial aid, and career counseling.

Dr. Rice reported to the Board that the Student Affairs area conducted a retention study and market penetration study. He called on Dr. Bennett to give the results of the retention study. Dr. Bennett said the study was based upon 3,958 degree-seeking students enrolled during fall semester. He said the study revealed that 78.5% of all degree-seeking students eligible to return did return for the spring semester of 1987. Dr. Bennett reported that the lower percentage of General Studies students was expected because this group of students includes those unsure about attending college, those who tend to need remedial work, those who have not declared a major course of study, or those who might not be seeking a degree. Dr. Bennett also said that students living outside Gibson, Posey, Vanderburgh, and Warrick counties in Region 13, many of whom live in student housing, had a return rate of 87.9%. He stated that he plans to use this type of report each year to enable USI to improve student retention.

Dr. Rice noted that the legislature is currently in session, and said he hopes that additional funding for USI will be made available. He called attention to the operating budget request and various estimates outlined in the request.

Dr. Rice reported to the Board that USI will award approximately 500 baccalaureate and associate degrees at Commencement in May. He reported also that the University will confer three honorary degrees.

Dr. Rice reported that Mr. Woll and Dr. Clark will represent the University at the National Conference on Trusteeship in New Orleans March 22 - 24.

Dr. Rice reported also that the Activities Programming Board Student Leadership Conference will be held March 16 - 20.

D. REPORT OF JOINT MEETINGS OF FINANCE COMMITTEE AND  
LONG-RANGE PLANNING COMMITTEE

Mr. Brooks reported that the primary topic discussed in the morning's committee meetings was the university handbook. He reported that the university handbook is in the process of being revised, an ongoing procedure that will involve the faculty, administration, and the Board of Trustees.

E. APPROVAL OF CANDIDATES FOR DEGREES
