E. REPORT ON THE INDIANA GENERAL ASSEMBLY

A report will be presented on the 2005 session of the Indiana General Assembly.

F. APPROVAL OF CONFLICT OF INTEREST STATEMENTS

At its meeting on November 4, 2004, the Board of Trustees reviewed the Possible Conflict of Interest Disclosure Statements submitted by University employees and trustees in 2004. In December 2004, for calendar year 2005, the University requested statements of all trustees and senior staff, even those with no potential conflicts of interest to disclose, and reminded all University employees of their obligation to submit a statement if required.

In 1983, the Indiana General Assembly enacted amendments to the Indiana “conflicts of interest” law, which provides that “The public servant who knowingly or intentionally: (1) has a pecuniary interest in; or (2) derives a profit from a contract or purchase connected with an action by the government entity that he serves, commits a conflict of interest, a Class D felony.”

I.C. 35-41-1-2 defines “public servant” as a person who (1) is authorized to perform any official function on behalf of, and is paid by, a governmental agency; or (2) is elected or appointed to office to discharge a public duty for a governmental entity.

The 1983 amendment provides a method by which public servants can avoid the criminal aspects of the conflicts of interest law by filing a disclosure statement with the Board of Trustees. The Board of Trustees must approve such disclosures, and must forward all disclosure statements to the State Board of Accounts. A list of individuals who have submitted a Possible Conflict of Interest Disclosure Statement since January, 2005, is in Exhibit I-A.

Approval of the Possible Conflict of Interest Disclosure Statements in Exhibit I-A is recommended.
G. APPROVAL OF POSTHUMOUS DEGREE

At its meeting on July 7, 2003, the Board of Trustees approved the Policy on Posthumous Recognition of Students.
